

RBTT Bank shows their appreciation

The Gaspirito Restaurant in Noord was filled with “ambiente” as management staff of the RBTT bank hosted a dinner under the stars with a decidedly local flavor for car dealers who finance transactions through RBTT Bank. The charming gardens of the restaurant provided a lovely venue for the event.

Acting as hosts for RBTT were Managing Director Pierrot Hurtado and Sales and Marketing Manager Robert Moons. Chef Contreras of Gaspirito prepared what the restaurant is known for, a classic Aruban menu, and the gathering dined on Cabrito Stoba (Goat Stew) and Keshi Yena, accompanied by funchi and pan bati.

Music by local group “The Tramps” entertained with traditional Aruban numbers, and golden oldies from the sixties and seventies.

Robert Moons reports some record auto sales just before the end of the year, and the RBTT Bank appreciates their partnership with the island’s car and motorcycle dealers, and expressed that the annual appreciation event is “well deserved.”
